- Remote Asset Management,
- System design audits,
- Consultancy in Energy requirement assessment

Power Product Portfolio

Diesel Generator (5 kVA to 2000 kVA)

- DG sets from 5 kVA to 2000 kVA with LT/HT System & In Multi-Mega Watts.
- Containerized DG Set- Plug and Play system
- Suitable for Continuous operation with Fuel Optimization
- Remote Operation Facility
- Suitable for Multiple DG Synchronization
- Easy to Install- Only Hard Surface required
- Inbuilt Standard Isolator Panel with Necessary Protection
- Control Panel with necessary Engine + Alternator Protection

•
•

Micro Power Plant (3MW to 50 MW)

- DG sets from 5 kVA to 2000 kVA with LT/HT System & In Multi-Mega Watts.
- Distribution panel LT/HT.
- Fuel Management, Transfer & Storage Systems.
- Earthing System for whole System.
- Temporary utility solutions for turnarounds and shut-downs.
- Power and electrical distribution solutions for utility loss.
- Just-in-time manufacturing rental solutions.
- Contingency planning preparation to minimize downtime in emergencies

Transformer (1.5MVA to 5MVA)

- Transformer from 1500 kVA to 5000 kVA.
- Voltage Ranges- 6.6, 11, 33 kV
- Total packaged Substation with necessary HT and LT Switchgear
- Containerized System- Plug and Play system
- Easy for Installation- Only Hard surface required
- System with interconnection Cable

Perennial Process

How we do it

2. Mobilization & Procurement

3. Installation, Testing & Commissioning

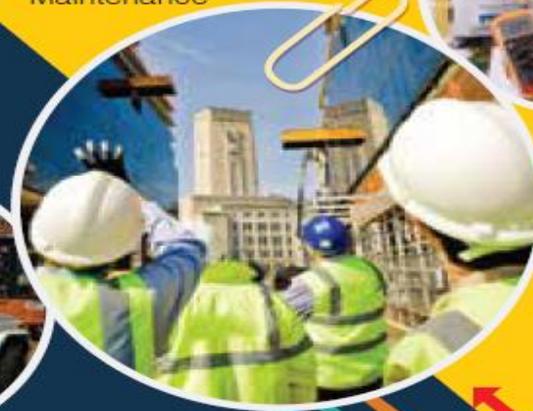

4. Statutory Compliance

5. Fuel Management

6. Operation & Maintenance

7. Continuous quality upgradation of the system

8. Decommissioning

Existing Fleet And Revenue

Total Fleet: 1100+

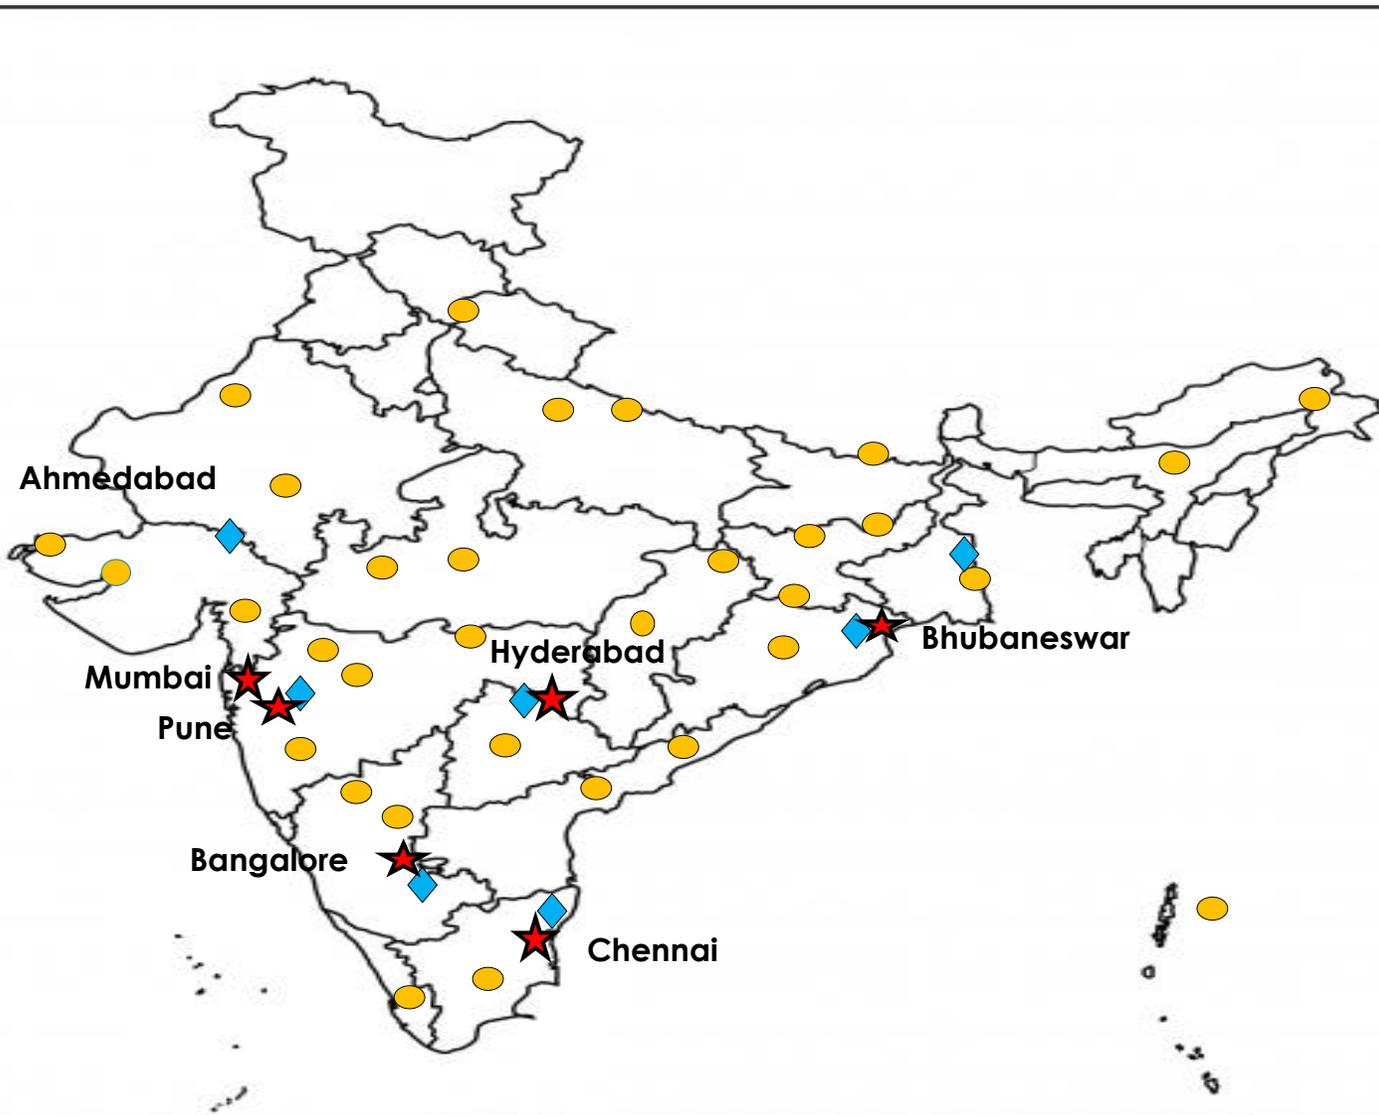

**Total DG Set
Fleet: 900+.**

**Total Non DG
Set Fleet:
200+.**

- 
- **TOTAL DEPLOYED ASSET:95 %**
 - **DEPLOYED PAN INDIA**
 - **ALL ASSET MAINTAINED IN GOOD CONDITIONS**

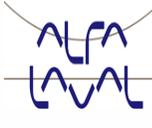

Perennial Presence pan India

- **Head Office-** Pune
- **Sales Office –** Mumbai, Bangalore, Bhubaneswar, Kolkata.
- **Zonal Depot –** Pune, Bangalore, Hyderabad, Ahmedabad, Bhubaneswar

-  Head Office- Pune
-  Sales Office
-  Zonal Depot
-  Service Points
